## **EXPLANATORY NOTES TO THE BUSINESS OF THE AGM**

The notes on the following pages are given as explanations of the proposed resolutions.

Resolutions 1 to 13 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, a simple majority of votes cast must be in favour of the resolutions.

Resolutions 14, 15, 16 and 17 are proposed as special resolutions. This means that, for each of those resolutions to be passed, not less than 75% of the votes cast must be in favour of the resolution.

Please note that a “vote withheld” (as it appears in the Form of Proxy) is not a vote in law and will not be counted in the calculation of the proportion of votes “for” or “against” a resolution.

### **Resolution 1: Annual Report and Accounts**

The 2021 Annual Report and Accounts for the year ended 31 December 2021 are available on our website (<https://georgiacapital.ge>) and have been sent to shareholders, as requested. Further copies will be available at the AGM.

### **Resolution 2: Directors' Remuneration Report**

Resolution 2 seeks approval for the Directors' Remuneration Report for the year ended 31 December 2021, excluding the part of the report which sets out the summary of the Directors' Remuneration Policy. This resolution is advisory in nature and, as such, it does not affect the actual remuneration paid to any director. The Directors' Remuneration Report is set out on pages 143 to 163 (excluding the Directors' Remuneration Policy on pages 146 to 153) of the 2021 Annual Report and Accounts.

### **Resolution 3: Directors' Remuneration Policy**

Resolution 3 invites shareholders to cast their binding vote on the new Directors' Remuneration Policy in the form set out on pages 146 to 153 of the Annual Report and Accounts for the financial year ended 31 December 2021. The current remuneration policy which has been in force since 2019 AGM expires at the end of its fixed three-year term. If this resolution is passed, the Board will only be permitted to make remuneration payments in accordance with the approved policy. This is the Company's second Remuneration Policy and the Act requires the Company to obtain shareholder approval. The Remuneration Policy, if approved, will take effect immediately after the conclusion of the AGM. Provided it remains unchanged, the Remuneration Policy will be valid for up to three years without further shareholder approval being required. The Remuneration Policy has been prepared in line with the provisions of the UK Corporate Governance Code.

### **Resolutions 4 to 9: Re-appointment of Directors**

In accordance with the provisions of the UK Corporate Governance Code, the Board has decided that all Directors should retire at the AGM and offer themselves for re-appointment. Caroline Brown will not be seeking re-appointment at the AGM.

The Nomination Committee identifies, evaluates and recommends candidates for appointment or re-appointment as Directors. The Nomination Committee and the Board keeps the balance of skills, experience, knowledge and independence of the Board under regular review and seeks to ensure an orderly succession of Directors.

The Nomination Committee has considered the complementary skills, expertise and other contributions individuals may make (including diversity considerations), brought by each Director now standing for appointment to the Board and believes that they each continue to be effective and demonstrate commitment to their roles, including commitment of time for the Board and Committee meetings and any other duties. The Board as a whole is content that each Non-Executive Director standing for appointment is independent in character and judgment in accordance with the criteria set out in the UK Corporate Governance Code and that there are no relationships or circumstances likely to affect that independence.

Accordingly, the Board recommends the re-appointment of each of the Directors.

**Resolution 10: Appointment of Auditor**

The Company must appoint an Auditor at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Following the expiration of Ernst & Young LLP's three-year term for 2019, 2020 and 2021, the Audit and Valuation Committee conducted a full tender amongst appropriate firms for the statutory audit and related services for the three years 2022, 2023 and 2024 beginning with the review of JSC Georgia Capital's Financial Statements for six months ending 30 June 2022 which resulted in PwC being put forward at this AGM for appointment as Auditor of the Company. Full details of the tender exercise are set out on page 141 of Company's 2021 Annual Report.

Pursuant to section 519 of the Companies Act, Ernst & Young LLP have provided a statement of circumstances upon ceasing to hold office. In accordance with section 520 of the Act, a copy of this statement is set out below:

*Date: 01 April 2022*

**Georgia Capital PLC**

**Company Registered Number: 10852406**

*In accordance with section 516 of the Companies Act 2006, we write to notify you that we are ceasing to hold office as auditor of Georgia Capital PLC. This takes effect from the date on which you receive this letter.*

*In accordance with section 519(1) of that Act, we are ceasing to hold office as we were unsuccessful in a competitive tender and another firm of auditors will be appointed for the 31 December 2022 audit. We are required to send a copy of this statement to the appropriate audit authority in accordance with section 522 of the Act, and send a copy to the registrar in accordance with section 521 of the Act. *Yours faithfully*

### **Resolution 11: Setting of Auditor's fees**

Resolution 11 seeks authorisation for the Audit and Valuation Committee to set the auditor's fees following normal practice.

### **Resolution 12: Authority to make political donations**

Any political donations or expenditure regulated by the Act requires shareholder approval. It is not the Company's policy to make donations to political parties, independent election candidates or political organisations or to incur political expenditure. However, the scope of the definitions of political parties, independent election candidates, political organisations and political expenditure used within the Act are very wide. In particular, the definition of political organisations may extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the company and its subsidiaries might wish to support. As a result, the definitions may cover legitimate business activities which are not, in the ordinary sense, considered to be political donations or political expenditure. Such activities are not designed to support any political party or independent election candidate or to influence public support for any political party or independent election candidate.

The authority which the Board is requesting is a precautionary measure to ensure that the Company and its subsidiaries do not inadvertently commit a technical breach of the Act.

This authority will cover the period from the date resolution 12 is passed until the conclusion of the AGM in 2023, unless previously renewed, revoked or varied by the Company in a general meeting. Any expenditure which may be incurred under authority of this resolution in excess of £2,000 per expenditure will be disclosed in next year's annual report.

The Company and its subsidiaries made no political donations and incurred no political expenditure during 2021.

### **Resolution 13: Directors' authority to allot shares**

Paragraph a) of resolution 13 would give the Board the authority to allot shares and grant rights to subscribe for or convert any security into shares up to a nominal value of £154,420.59. This represents 15,442,059 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM.

The Investment Association's Share Capital Management Guidelines 2016 state that the Investment Association will regard as a routine request to authorise the allotment of a further one-third of a company's issued share capital in connection with a rights issue. In light of this, paragraph b) of this resolution 15 proposes that, in addition to the authority in paragraph a), the Board be granted the authority to allot further equity securities up to a nominal amount of £154,420.59. This represents 15,442,059 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM.

The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility in managing the Company's capital resources. The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2023 or, if earlier, at the close of business on 20 August 2023 (being 15 months after the date of the forthcoming AGM) save that in each case the Company may, before the authority expires, make an offer or agreement which would or might require equity securities to be allotted, or rights to be granted, after this authority expires and the Directors may allot shares or grant rights to subscribe for or to convert any security into shares under any such offer or agreement as if the authority had not expired.

Resolution 13 reflects that, as a company with a primary premium listing on the London Stock Exchange, the Board considers it appropriate to seek authorities in line with the UK Investment Association's Share Capital Management Guidelines, which provide the Company with greater flexibility to respond to market developments and business opportunities as they arise.

The Company held 205,277 shares in treasury within the meaning of the Act as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM.

**Resolution 14 and 15: Disapplication of Pre-emption rights (special resolutions)**

Resolutions 14 and 15 would give the Board the authority to allot equity securities (or sell any equity securities which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing holdings.

The authority set out in resolution 14 is limited to: a) allotments or sales in connection with pre-emptive offers and offers to holders of equity securities if required by the rights of those securities or as the Board otherwise considers necessary, or b) otherwise up to a maximum nominal amount of £23,163.08, representing 2,316,308 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM.

Resolution 15 is intended to give the Company flexibility to make non-pre-emptive issues of Ordinary Shares in connection with an acquisition or specified capital investment up to a maximum nominal amount of £23,163.08, representing 2,316,308 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM.

These disapplication authorities are in line with the guidance issued by the Investment Association (and the Pre-Emption Group's Statement of Principles) (the **Statement of Principles**). The Statement of Principles allows the authority for an issue of shares otherwise than in connection with a pre-emptive offer to be increased from 5% to 10% of the Company's issued Ordinary Share capital, provided that the Company confirms that it intends to use the additional 5% authority only in connection with an acquisition or specified capital investment. The Pre-emption Group also recommends that this additional 5% authority be sought in a separate resolution, which is the approach that the Company has taken.

In further compliance with the Statement of Principles, the Board confirms that it will not allot equity securities for cash, and/or sell treasury shares, on a non-pre-emptive basis pursuant to the authority in resolution 15 other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

In addition, the Board also confirms that in accordance with the Statement of Principles, it does not intend to allot equity securities for cash, and/or sell treasury shares, representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, unless shareholders have been notified and consulted in advance.

The authorities sought under resolutions 14 and 15 will expire at the conclusion of the Company's AGM in 2023 or if earlier, at the close of business on 20 August 2023, being 15 months after the date of the forthcoming AGM, but, in each case, prior to its expiry, the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Board may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority had not expired.

The Board has no present intention to exercise the authority conferred by these resolutions. The authority sought by the Board in relation to resolutions 14 and 15 is aligned with the Statement of Principles and the Investment Association's share capital guidelines which represent practice for companies with a premium listing on the London Stock Exchange.

**Resolution 16: Authority to purchase Ordinary Shares (On-Market - special resolution)**

Resolution 16 authorises the Company to make market purchases of up to 6,944,294 of its own Ordinary Shares, representing approximately 14.99% of the Company's issued ordinary share capital excluding treasury shares as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM. The resolution specifies the minimum and maximum prices at which the Ordinary Shares may be bought under this authority. The effect of this resolution is to renew and update the authority currently held by the Board to purchase up to 14.99% of the Company's issued ordinary share capital.

The authority set out in resolution 16 will remain in force until the conclusion of the Company's AGM in 2023 or if earlier, at the close of business on 20 June 2023, being 13 months after the date of the forthcoming AGM (except in relation to any purchase of Ordinary Shares for which the contract was concluded before such date and which would or might be executed wholly or partly after such date). The Company is entitled to hold the Ordinary Shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

If this authority was exercised the Directors would give careful consideration to gearing levels of the Company and its general financial position. Any purchases of Ordinary Shares would be by means of market purchases through the London Stock Exchange.

#### **Resolution 17: Authority to purchase Ordinary Shares (Off-Market - special resolution)**

The Company is seeking authority to enter into a contract(s) with certain financial intermediaries (**Dealers**) named in the form of contract (which will be made available for inspection: (i) at the Company's registered office for not less than 15 days ending with the date of the Annual General Meeting, and (ii) at the Annual General Meeting) (the **Contract**), for the purchase of up to an aggregate maximum amount of 6,944,294 Ordinary Shares (representing approximately 14.99% of the Company's ordinary share capital excluding treasury shares as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM). Any Ordinary Shares purchased from any of the Dealers under the terms of the Contract will constitute "off-market" purchases for the purposes of the Act.

Under the Companies Act 2006, the Company is only permitted to buy back its Ordinary Shares where it repurchases them for cash. This resolution 17, if approved, will give the Company flexibility to enter into a Contract, together with certain related back to back arrangements, with a Dealer, the net effect of which is that the Company will be able to buy back its Ordinary Shares from shareholders with non-cash consideration. Should the Company decide to enter into a Contract with any Dealer(s), it will, at the same time, enter into a separate but related agreement with the relevant Dealer for the sale by the Company to the Dealer of certain Group assets for cash. The Dealer will then transfer the assets to the selling shareholders in exchange for the Company's shares, and, the Company will then buy back those Ordinary Shares from the Dealer under the Contract for cash.

The Company is proposing this resolution to provide it with optionality for realisation of its investments thereby providing the Board a further opportunity to return value to shareholders. The Directors have no present intention of exercising the authority granted by resolution 17, but the authority does provide the flexibility to allow them to do so in the future. The authority would be exercised only if, after taking into account the value attributed to its assets and the share price of the Company, the Directors believe that to do so would be likely to promote the success of the Company for the benefit of its shareholders as a whole. The Directors would not seek to repurchase any of the Company's Ordinary Shares where to do so would be at a premium to the net asset value attributed to its Ordinary Shares.

The proposed form of Contract will provide that the Dealer(s) will purchase shares upon receipt of an instruction from the Company (the **Instruction**) which will set forth, amongst other things, the maximum number of Ordinary Shares to be purchased and, subject to the maximum and minimum price per share referred to below, the formula used to calculate the price payable per Ordinary Share bought back (with such price being calculated by reference to the exchange ratio determined by the Company in respect of the assets that selling shareholders will receive from the Dealer(s) in exchange for their Ordinary Shares) (**Price per Share**).

In addition, the form of Contract will provide that the maximum Price per Share which the Company would pay to any Dealer for the buy-back of its Ordinary Shares will be equal to 105% of the average of the middle-market price of an Ordinary Share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such Ordinary Share is contracted to be purchased, and, the minimum Price per Share will be £0.01. It will also provide that the Dealer will purchase the Ordinary Shares from the Company's shareholders as principal and sell them to the Company at the Price per Share plus an agreed market rate of commission.

Shareholders should note that even if this resolution 17 is approved, there is no requirement or assurance that the Company or any Dealer(s) will enter into a Contract or that the Company will acquire any Ordinary Shares if one or more Contracts are entered into. There are no assurances that any number of Ordinary Shares will be repurchased or of the prices at which they might be repurchased. Any such repurchases could be made over the term of the authority granted by this resolution 17, and it is not necessary that all of the Ordinary Shares to which the authority relates are repurchased at one time, or at all. Any repurchases would be subject to the requirements of the Companies Act 2006 and the other laws and regulations with which the Company complies.

The Company is entitled to hold any Ordinary Shares repurchased under resolution 17 as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

The authority granted by this resolution 17 will be in addition to the authority to make market purchases of Ordinary Shares under resolution 16 and therefore in aggregate under both resolutions the Company will be authorised to purchase up to 13,888,588 Ordinary Shares, representing 29.98% of the Company's issued ordinary share capital excluding treasury shares as at 24 March 2022, being the latest practicable date prior to the publication of this notice of AGM. However, during the period of the shareholder authority granted by resolutions 16 and 17 the Company does not intend to make purchases exceeding 14.99% of its issued share capital (excluding treasury shares, and when calculated by aggregating any purchases made under each of resolutions 16 and 17). The Company acknowledges that should it make purchases exceeding the 14.99% threshold then it would need to make a tender offer to shareholders in accordance with FCA Listing Rule 12.4. The Company expects that any repurchase made pursuant to this resolution 17 would be structured such that only Qualified Investors (as defined in the Prospectus Regulation, as applied in the UK) could participate.

The authority conferred by this resolution 17 shall, unless varied, revoked or renewed prior to such time, expire no later than the conclusion of the Company's AGM in 2023, or, if earlier, the close of business on 20 June 2023, being 13 months after the date of the forthcoming AGM (except in relation to any purchase of Ordinary Shares for which the Contract was concluded before such date and which would or might be executed wholly or partly after such date).

## **RECOMMENDATION**

The Directors consider that all of the resolutions being proposed at this year's AGM will promote the success of the Company and are in the best interests of shareholders as a whole and the Company. The Directors therefore unanimously recommend that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares in the Company.

## **NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING**

### **1. Entitlement to Attend and Vote**

Shareholders registered in the Register of Members of the Company as at 6:00pm (London time) on 18 May 2022 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting excluding non-working days) shall be entitled to attend or vote at the AGM in respect of the Ordinary Shares registered in their name at that time. Changes to entries on the Register of Members after 6:00pm (London time) on 18 May 2022 will be disregarded in determining the rights of any person to attend or vote at the AGM.

### **2. Proxies**

Members are entitled to appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM.

A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to different Ordinary Shares held by that member. Members who wish to appoint more than one proxy in respect of their holding may obtain additional Forms of Proxy by contacting the Company's Registrars, Computershare on +44 (0370) 702 0176 or may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy appointed and the number of Ordinary Shares in respect of which that proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

Completion of the Form of Proxy will not prevent a member from subsequently attending and voting at the AGM in person if they so wish. The Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrars, Computershare Investor Services PLC (**Computershare**) at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 12:30pm (London time) on 18 May 2022, being 48 hours before the time appointed for the holding of the AGM excluding non-working days.

Members may submit their proxies electronically at [www.investorcentre.co.uk/eproxy](http://www.investorcentre.co.uk/eproxy) using the Control Number, your unique PIN and Shareholder Reference Number (**SRN**) printed on your Form of Proxy.

### 3. **Information Rights and Nominated Persons**

Persons who have been nominated under section 146 of the Act (a **Nominated Person**) to enjoy information rights do not have a right to vote or appoint a proxy at the AGM and the statements of the rights of members in relation to the appointment of proxies in note 2 above does not apply to Nominated Persons. The rights described in that note can only be exercised by members of the Company.

However, a Nominated Person may have the right (under an agreement with the member by whom they were nominated) to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise that right, they may have a right to give voting instructions to the registered shareholder under any such agreement.

### 4. **Corporate Representatives**

A corporate shareholder may appoint a person or persons to act as its representative(s) at the AGM. Each such representative may exercise (on behalf of the corporate shareholder) the same powers as the corporate shareholder could exercise if they were an individual shareholder in the Company, provided that they do not do so in relation to the same Ordinary Shares.

### 5. **CREST Proxy Instructions**

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 20 May 2022 and any adjournment thereof by following the procedures described in the CREST Manual. CREST Personal Members or other CREST Sponsored Members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID Number 3RA50) no later than 12:30pm (London time) on 18 May 2022. No message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The CREST Manual is available at [www.euroclear.com/CREST](http://www.euroclear.com/CREST).

CREST members and, where applicable, their CREST sponsors or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company will treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

### 6. **Issued Share Capital and Total Voting Rights**

Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share entitles the holder to one vote on a poll. As at 24 March 2022,

being the last practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 46,531,455 Ordinary Shares. The Company held 205,277 Ordinary Shares in treasury within the meaning of the Act. Therefore, the total voting rights in the Company as at 24 March 2022 were 46,326,178.

**7. Voting at the AGM**

Each of the resolutions to be put to the AGM will be voted on by way of a poll and not by a show of hands. In this way, the voting preferences of all shareholders are taken into account not only those who are able to physically attend the AGM. The results of the poll will be notified to the market in the usual way and published on the Company's website after the meeting.

**8. Publication of Audit Concerns**

Under section 527 of the Act, the Company may be required by members meeting the threshold set out in that section to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act which they intend to raise at the AGM. The Company may not require the members requesting any such website publication to pay its costs in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

**9. Questions**

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

**10. Display Documents**

Copies of the service contract for the Executive Director, the letters of appointment for the Non-Executive Directors and the Company's Articles of Association are available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) and also at the place of the AGM from 12:00 noon (London time) on the day of the AGM until the conclusion thereof.

**11. Information available on the website**

A copy of this Notice and other information required by section 311A of the Act can be found at <https://georgiacapital.ge>.
